Migration to Thorium Reader for EBSCO eBook Download

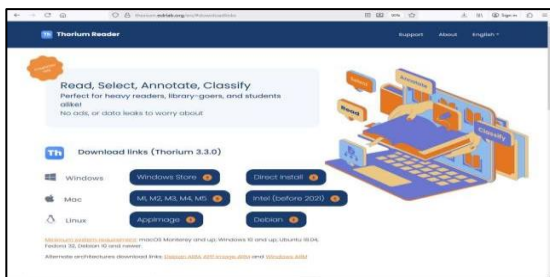

Effective **Tuesday, 14 April 2026** EBSCO will switch from **Adobe Digital Editions** to **Thorium Reader** for downloading and reading its eBooks. It is a more advanced technology that improves user experience and strengthens content protection.

Thorium Reader is a free EPUB reading application for Windows, Mac and Linux.

What you need to do:

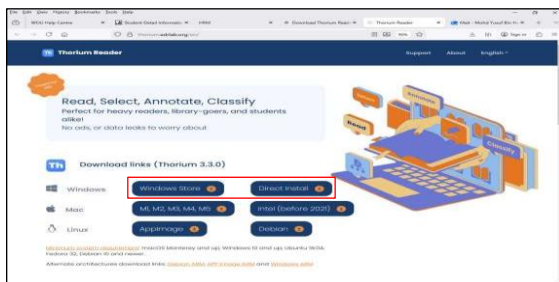

Step 1 — Thorium Reader Website

- Go to: <https://thorium.edrlab.org>

Step 2 — Download Thorium Reader

- From the webpage, scroll down to **Download links**
- Click on **Windows**
- This will download the file **Thorium.Setup.x.x.x.exe** to your device

Step 3 — Run the Downloaded File

- Open your **File Explorer**
- Go to **Downloads**
- Locate the .exe file (**Thorium.Setup.3.x.x.exe**)
- Double-click the file

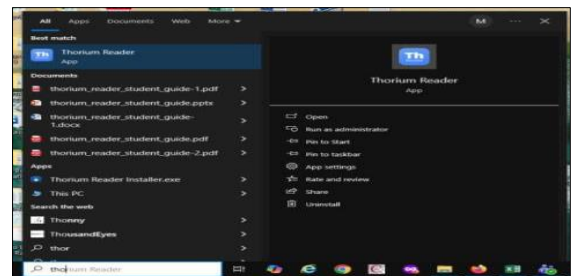

Step 4 — Thorium Reader Installation

The installation window will appear.

- Click **Install**
- Wait for installation to finish
- Click **Finish**

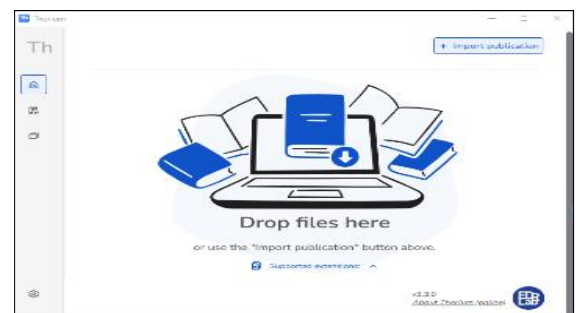

Thorium Reader will be installed on your device.

Step 5 — Open Thorium Reader

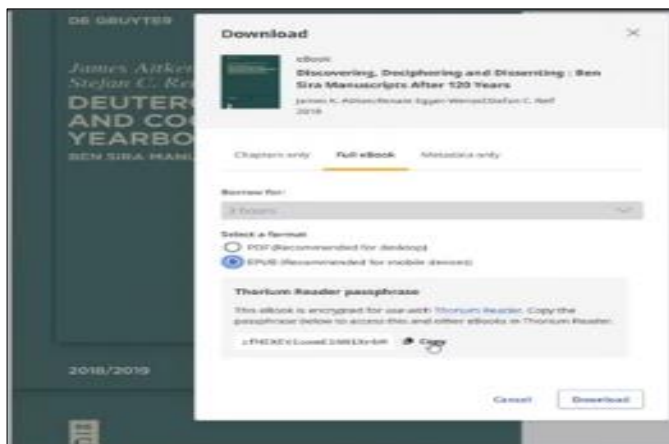

- You can open it by:

Start Menu → Search **Thorium Reader**

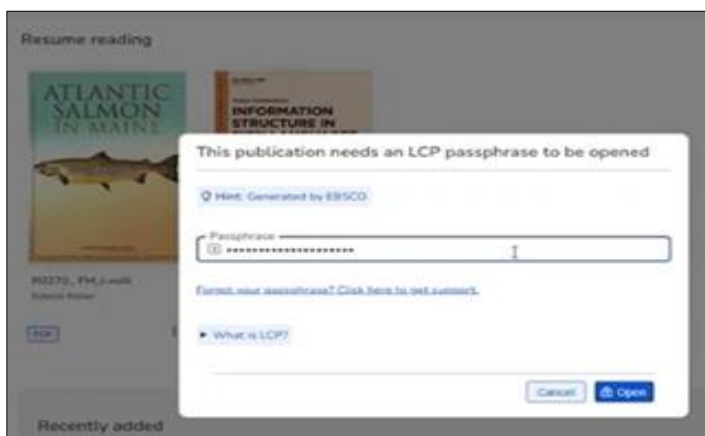

Step 6 — Import & Open Your EBSCO eBook

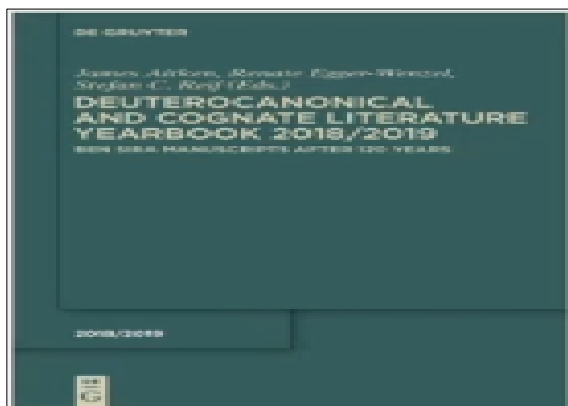

- From your MyEBSCO login -> choose title, format and **copy passphrase**
- Click download

- Open the eBook and Thorium reader
- Enter the **passphrase**

- Click **Open**
- Your eBook will be opened in the reader

For further assistance on accessing EBSCO Ebooks, please contact the Library at library@wou.edu.my.
